

Requests for Statements of Qualifications for Architectural Services Associated with Town Hall Renovations

ADDENDUM No. 1

Issued January 8, 2025

This Addendum to the RFQ is issued in response to a request for clarification or objection and hereby becomes a part of the RFQ documents.

For Clarification

1. The Town will receive responses to this RFQ until 12:00 p.m. (local time) on January 16, 2025.
2. Provide five (5) paper copies (one marked “original” and four marked “copy”) and one (1) electronic copy (PDF) of responses containing all items and information required by this RFQ.
3. The criteria, "Experience in Panhandle Region," is an oversight and should read, "Experience in Texas," as further described in "Section E: Experience in Texas."
4. The final scope of work will be defined by the town with the assistance of the architect selected. Project approval and construction schedule is contingent on available funding. Accordingly, there is no scheduled completion date.
